

HELP SAVE A LIFE

PAUL NEEDS A KIDNEY

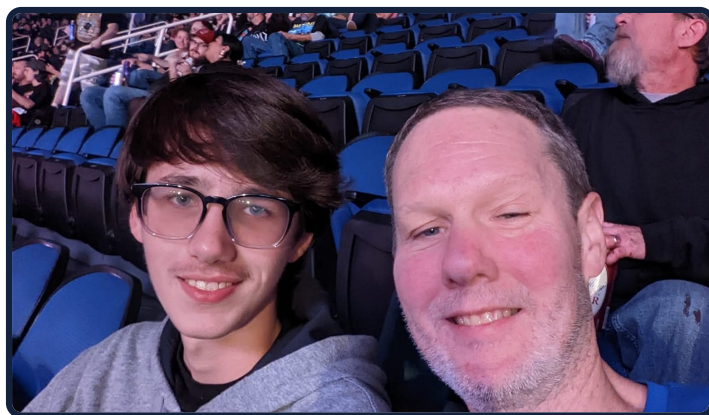

Paul is searching for a living kidney donor.

A living kidney donation could give Paul the gift of many more years — more birthdays, more concerts, more graduations with the people he loves.

Living donors go on to live full, healthy lives. The evaluation process is confidential, and you can stop at any point.

Could you be a match? Visit the website below to learn more and complete a simple screening.

"One living donor can change everything."
